PROJECT WORK PLAN PROPOSAL

Organization Name:		Project Name:	

Breaking a project down into smaller steps makes it easier to understand what a project will do, when should things happen, and what is expected to happen as a result of each step. Key activities are essential to complete for a project to be successful. Complete the table below; consider referring to your answers to Application Question #7a.

Key Activity (what your project entails in #7a)	Person/Position Responsible	Month to be Accomplished	*Expected Outcome (immediate, tangible results in #7a)
Example: Hire EJ Project Coordinator	Executive Director	June 2025	1 staff dedicated to EJ
Example: Host workshop for elders on indoor air pollution	EJ Coordinator	July 2025	Participants learn 2 non-toxic cleaning recipes to reduce exposure to toxic chemicals at home
