IN THE SUPERIOR COURT OF THE STATE OF WASHINGTON COUNTY OF KING
JUVENILE DIVISION

STATE OF WASHINGTON, Plaintiff v. _____, Respondent DOB: _____	Case No. _____ **ORDER WAIVING MANDATORY DECLINE HEARING AND RETAINING CASE IN JUVENILE COURT** (ORWDRJ)

This matter came before the undersigned judge for a mandatory decline hearing pursuant to RCW 13.40.110(2). The parties jointly moved for an order waiving the decline hearing and retaining this matter in the juvenile court.

☐ The State has given notice that it reserves the right to file amended charge(s) of _____, which would trigger auto-adult jurisdiction pursuant to RCW 13.04.030.

The court has reviewed the certification for probable cause, the current charge(s) and the respondent's criminal history. Based on the agreement of the parties, the nature of the charges currently pending, and the factual information reviewed, the court is satisfied that retaining this matter in juvenile court is in the best interests of both the community and the respondent. The court hereby waives the decline hearing, and orders that the case be retained in juvenile court. This order does not impact the prospect of auto-adult jurisdiction, if applicable.
