Honorable Andy Hill  
PO Box 40448  
Olympia, WA 98504-0448

Dear Senator Hill,

As the Washington State Budget continues to be debated I wanted to bring to your attention an important matter and appropriation.

The Tahoma School District resides inside District 9, the District I represent on the Metropolitan King County Council. The current Washington State House Capital Budget plan includes up to a \$4,000,000 appropriation for the purchase of property being sold by King County that is inside the School District. This property will be used for future construction of a of a high school as part of a regional learning center in partnership between the Tahoma School District and two local community colleges. The appropriation is from State Building Construction Account. I would urge the Washington Senate Capital Budget plan to support this appropriation and add this to your capital budget plan.

I thank you in advance for your attention to this important matter and I thank you for your cooperation on this issue.

Best Regards,

Reagan Dunn  
King County Councilmember – District Nine
