

MLK Medal of Distinguished Service

PRESENTED TO

MICHAEL & DONNA BRATHOVDE

The ideals of the Rev. Dr. Martin Luther King, Jr., the foremost civil and human rights leader in the United States, are held high at King County. King County was redesignated in his honor and the county logo bears his likeness. Dr. King's vision of equity and social justice is infused throughout the programs and services of county government.

Michael and Donna Brathovde are a couple who have responded to Dr. King's question, "What are you doing for others?" Michael and Donna's volunteer work in the Ravensdale community brings us closer to a society marked by equality and justice.

The Metropolitan King County Council today presents Michael and Donna Brathovde with the MLK Medal of Distinguished Service for their outstanding community service and honors them both as an example to all in our county, state, and nation.

Dated this twenty-first day of March, 2016.
