Project Location: **Non-Project Action, legislation could apply throughout unincorporated King County**

Project Description: **Proposed ordinance amending King County zoning Title 21A regarding requirements for electric vehicle infrastructure installation with certain types of development.**

**This is a non-project action to amend King County Code 21A. The Electric Vehicle (EV) infrastructure ordinance proposes to amend the King County Code Title 21A Zoning to require the provision of EV charging and associated EV infrastructure for certain new and substantially improved development projects requiring parking areas in unincorporated King County**

Additional information about the proposal can be found here:

SEPA Threshold Determination: **Determination of Non-Significance issued May 19, 2021**

## **Comment/Appeal Procedure:**

This Determination of Non-significance (DNS) is issued under Washington Administrative Code (WAC) 197-11-340. The Permitting Division has determined after review of the proposed legislation, an environmental checklist and associated documents, that existing State of Washington and King County regulations and codes are sufficient to address potential impacts associated with the proposed legislation. Therefore, An Environmental Impact Statement (EIS) is not required. The issuance of this DNS does NOT constitute approval or adoption of the subject legislation.

You may comment on this DNS by submitting comments to address or email below. Emailed comments are encouraged. Comments must be received no later than **4:00 pm on June 9, 2021**. The King County Council will not act until after the comment period.
