

Conditional Use Permit (CUP) Application

For alternate formats, call 206-296-6600.

GENERAL INFORMATION (to be completed by Permitting Staff)			
File No:	CDUP21-0003		
Project Name:	III Kings Cannabis CUP Project		
Applicant Name:	Zacharias Teshome, III Kings Company LLC		
Address of Property:	12925 Martin Luther King Jr Way S, Seattle, WA 98178		
Zoning of Property:	Neighborhood Business, subject to p-suffix conditions (NB-P)		
Acreage of Property:	0.30 acres (13,151 square feet)		
S.T.R.:	NE-14-23-4		
Tax ID No.	217200-0611		
Mapped Critical Areas:	Not Applicable		
Related DDES Files:	Not Applicable		

APPLICANT: Do not write above this line

Note to applicants preparing this application form: The burden is on the applicant to provide adequate justification supporting this CUP request. In order to approve this application, the Responsible Official must find that the request meets the criteria for approval as specified in King County Code (KCC) 21A.44.040.

Applicants must answer the following questions accurately and concisely. As necessary, use additional pages for detailed explanations and/or attachments that support this request.

1. Describe the proposal, including the general purpose of the proposed use(s) and structures(s).

ighskic5.doc lc-app-cup.pdf C09 11/10/2012 Page 1 of 7

The proposal is located in the Skyway-West Hill community and is for the purpose of expanding an existing use on the same parcel and renovating the existing building to accommodate such expanded use. The existing use is marijuana retail and is a nonconforming use in place before August 14, 2016 under KCC 21A.08.070.B.26.e. A portion of the existing building currently houses the existing marijuana retail and the remaining portion is vacant. The vacant portion of the building previously housed a retail convenience store. The renovation of the existing building will be to internal walls and doors and portions of the exterior façade (walls, windows, and doors) in conformity with WH-P07.

C09 Web date: 11/10/2012 2. Has an Environmental Impact Statement (EIS) been prepared for this proposed development? □ Yes □ No If Yes, submit a copy of the EIS with this application. Describe the development existing on subject property and associated permits (list permit numbers, if known). The development existing on the subject property is a commercial retail building. The existing building houses the existing marijuana retail and is otherwise vacant. The vacant portion of the building previously housed a retail convenience store. Permits for the development existing on the subject property include permit number ADDC14-0405. Describe the development on adjoining properties: Development on immediately adjoining properties includes a mix of commercial and residential development consistent with their Neighborhood Business and Urban Residential land use designations, respectively; specifically, such development includes a gas station and associated convenience store and food truck (to the Northwest), a mobile home park (to the Southwest and

4.

3.

Southeast), and a main arterial street (Martin Luther King Jr Way S to the Northeast).

5. Describe the neighborhood land use characteristics:

> The relevant neighborhood (comprised of the Neighborhood Business Center near the intersection of Martin Luther King Jr Way South and South 129th St) has a commercial and retail character that includes numerous small businesses, such as a gas station and associated convenience store, a food truck, another convenience store, an auto body shop, a self-storage space, a fence business, and formerly, another convenience store. This Neighborhood Business Center is surrounded by Urban Residential land uses.

6. Name the road(s) or ingress/egress easements that provide legal access to the site. Martin Luther King Jr Way South

7. Is this an expansion or renewal of an existing operation?

> If Yes, provide file numbers and dates of previous related County □ No approvals for construction and operation.

Expansion; ADDC14-0405.

C09 11/10/2012 iahskic5.doc Page 3 of 7 lc-app-cup.pdf

8.	What geographic area is the proposed use intended to serve? Describe and attach maps as needed.				
		e geographic area to be served by the proposed use is the Skyway-West Hill community which it rently serves.			
9.	What are the proposed hours and days of operation? Monday - Sunday (8am - 1145pm)				
10.	List t	the number of employees: Part-time: 20 Full-time:			
11.	List t	List the average number of daily customers:250			
12.	List t	the average number of round-trip vehicle movements anticipated at this facility per day:			
		Employee automobiles 8			
		Trucks 40			
		Customer automobiles 200			
13.	Schools information: a. Have local school officials been consulted regarding this proposed development?				
		□ Yes ⊠ No			
	b.	Is the subject property close to a school or to a pedestrian or vehicular access route to a school?			
		□ Yes ⊠ No			
	C.	c. If yes, will the proposed use have an effect on transportation and traffic safety of school children?			
		□ Yes □ No			
	d. Will the proposed development present an "attractive nuisance" to children?				
		□ Yes ⊠ No			
	Expla	in any of the above:			

ighskic5.doc Ic-app-cup.pdf C09 11/10/2012 Page 4 of 7

14.	Have interested community groups or neighboring property owners been notified about this development project?			
	oxtimes Yes $oxtimes$ No $oxtimes$ If Yes, who has been contacted and what were their reactions?			
	Yes, numerous conversations with customers and local partners representing variety of community groups in the Skyway area. Property owners, community members and surrounding businesses have expressed positivity about the improved site and the project proposal.			
15.	Is the water district or distributor capable of serving the property adequately to meet King County fire protection standards and the demand created by the proposed conditional use?			
	☑ Yes ☐ No Explain: Yes. The proposed conditional use on the subject property replaces the former retail convenience store on the property and does not create any demand in addition to that previously provided to the property.			
16.	Is the subject property served by sanitary sewers?			
	☑ Yes □ No If No, what type of sanitary disposal system will be used to serve the proposed development?			
17.	Explain how the proposal complies with the CUP criteria of KCC 21A.44.040.			

ighskic5.doc lc-app-cup.pdf C09 11/10/2012 Page 5 of 7

See explanation attached as Exhibit A.
