The Department of Permitting and Environmental Review (DPER) will issue a written decision on this application following a **21-day public comment** period which ends November 7, 2019. Written comments on this application must be submitted to DPER at the address above. A public hearing is not required for this application prior to the DPER decision. However, the DPER decision may be appealed to the King County Hearing Examiner, who would conduct an appeal hearing prior to making a decision on the appeal. Details of the appeal process will be included in the notice of decision.

This may be the only opportunity to comment on the environmental impacts of the proposal. The responsible official has a reasonable basis for expecting to issue a SEPA Determination of Non-Significance (DNS) on this project. As such, the optional DNS/MDNS notice process is being used pursuant to WAC 197-11-355. The project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared.

Any person wishing additional information on this proposed project should contact the Project Manager at the phone number or e-mail listed above. You may review the application and any environmental documents or studies in our Snoqualmie office, or at www.kingcounty.gov/permits/.

NOTE: To request this information in alternative formats for people with disabilities, please call 206-296-6600 or TTY Relay: 711.

If you wish to receive a copy of the DPER Report and Decision on this application, complete and return the portion below to the Department of Permitting and Environmental Review at the address listed above.
