Project Name: SPU Tolt Debris Boom Replacement	File No.: SHOR22-0028
Applicant: Seattle Public Utilities Attn: Kim Mahoney, Floyd Snider kim.mahoney@floydsnider.com (206) 292-2078	DLS Project Manager: Greg Goforth, PPM III Phone No.: 206-477-0251 E-Mail: ggoforth@kingcounty.gov
Date Application Filed: 11/18/2022	
Date Determined Complete: 12/16/2022	
Date of Mailing: 5/19/2023	
Project Location: 47.696583 N, -121.685600 W; Section 32 Township 26 N Range 9 E, Parcel 3226099001	
Project Description: Replace the existing debris boom on the Tolt Reservoir with a single-span debris boom system comprised of a steel tension element with stainless steel pontoons spanning two new shore anchors located downstream of the existing anchors. The boom will span approximately 1,490 feet (ft) between the anchors on either side of the Reservoir. The existing debris boom system will be removed and disposed of off-site and the two existing anchors will be abandoned in place.	
Permit requested in this application: Shoreline Substantial development Permit (SSDP)	
SPU, as the SEPA Lead Agency, has determined the action is exempted from a threshold determination under provisions of SEPA as established under WAC 197-11-800. Relevant documents are available online at www.kingcounty.gov/permits/ , or https://www.seattle.gov/utilities/neighborhood-projects/construction-impacts , or at the address above.	
Consistency with applicable County plans and regulations: This proposal will be reviewed for compliance with all applicable King County codes including Surface Water Design Manual, Shoreline, and Critical Areas Codes.	
Other permits not included in this application, known at this time: None	

You are receiving this notice because King County property records indicate that you own property within 500 feet of the proposed project described above.

The Department of Local Services (DLS) will issue a decision on this application following a minimum, **33-day public comment period which ends Wednesday June 21, 2023**. Written comments on this application must be submitted to DLS at the address above. A public hearing is not required for this application prior to the DLS decision. However, the DLS decision may be appealed to the Shoreline Hearings Board, who would conduct an appeal hearing prior to making a decision on the appeal. Details of the appeal process will be included in the notice of decision.

Any person wishing additional information on this proposed project should contact the Project Manager at the phone number or e-mail listed above. You may review the application and any environmental documents at www.kingcounty.gov/permits/. NOTE: To request this information in alternative formats for people with disabilities, please call 206-296-6600 or TTY Relay: 711.

If you wish to receive a copy of the decision on this application, complete and return the portion below to the Department of Local Services, Permitting Division at the address listed above or simply email the DLS Project Manager.
