### DESCRIPTIVE SUMMARY OF PROPOSED WORK

The proposed development will add a deceleration and acceleration lane to the State Highway and relocate the access to the Lakeside property per WSDOT standards. The existing Highway drainage ditch will be relocated, a utility pole will be relocated, a stop sign will be added, a guardrail will be added and landscaping will be added. The Highway drainage ditches will be vegetated to improve water quality. The drainage from the westerly Highway drainage ditch will be conveyed to a treatment and infiltration facility on the adjacent Lakeside property.

#### Critical Area Compliance:

The undersigned applicant declares: 1.) That the applicant is competent to be a witness herein; 2.) That the applicant is the applicant for the above project; 3.) That to the best of the applicant's knowledge, the critical areas on the development proposal site have not been illegally altered; and 4.) That the applicant has not previously been found in violation of critical areas regulations for any property in King County, or alternatively, that if there have been any violations, such violations have been cured to the satisfaction of King County.

I am submitting for a permit authorized by the international building, residential, fire, or mechanical codes and in anticipation of having it approved or approved with conditions, I have read the following statement and understand that failure to comply with all conditions once construction is begun may necessitate an immediate work stoppage until such time as compliance with the stipulated conditions is attained. I certify that I have made a diligent inquiry regarding the need for concurrent state or federal permits to engage in the work requested under this building permit, and no such permits are required or I will have obtained the required permits prior to issuance of this permit. I understand that the granting of this permit shall not be construed as satisfying the requirements of other applicable federal, state or local laws or regulations. In addition, I understand and agree that this permit does not authorize the violation of regulations. In addition, I understand and agree that this building permit does not authorize the violation of the Endangered Species Act as set forth at 16 U.S.C. § 1531-1543, including the prohibition on the "take" of threatened or endangered species. "Take" is defined at 16 U.S.C. § 1532(19). I fully understand that it is my sole responsibility to determine whether such "take" restrictions would be violated by work done pursuant to this permit, and I understand that I am precluded by Federal Law from undertaking work authorized by this permit if that work would violate the "take" restrictions set forth at 16 U.S.C. §1538, 50 C.F.R. §17.21, 50 C.F.R. §17.31, 50 C.F.R. §223, and 50 C.F.R. §224.

I certify under penalty of perjury and under the laws of the State of Washington the foregoing is true and correct. I further certify that all easements, deed restrictions, or other encumbrances restricting the use of the property are shown on the site plans submitted with this application. I further certify that I am familiar with King County's Community Trails Preservation Program, and I  am/ am not interested in granting a voluntary easement for a rural equestrian trail. We (I) have been given authorization from the property owner to obtain this permit.

**I accept financial responsibility for all fees** associated with this permit or approval and will receive any applicable billings and/or refunds. As applicant I will receive and be responsible for all correspondence related to this permit record.
