_____)

Pursuant to request by the King County District Court Executive Committee to formally adopt a policy consistent with the historical informal policy of limiting access to the Divisions' law libraries; and recognizing the basis for the informal policy continues to warrant restricting access (i.e. the inability to adequately monitor public use and the associated security risks),

IT IS HEREBY ORDERED that the general use of any King County District Court's law library is limited to Judges, Court staff and officers of the Court.

This Order is effective immediately.

Done this 20th day of August, 1997
