(1) The state constitution limits the aggregate levy of the affected authorities to 1% of market value (unlike other limits, which apply to assessed value).

Normally, this effectively raises the limit. In 2022 the effective limit was \$10.66 per \$1,000 of assessed value.

(2) RCW 84.52.043 limits the aggregate levy of affected authorities to \$5.90 per \$1,000 of assessed value.

(3) Chapter 84.55 RCW limits affected taxing authorities' regular levy to a percentage (ranging from inflation to 101%) of its highest authorized levy since 1986.

(4) Types of excess levies (if any) the taxing authority may put before the voters.

(5) The limitation of \$3.60 applies to *market* value. The rate applied locally to assessed value may exceed \$3.60.

(6) The various districts of this type totally cover the county, except City of Milton. East Pierce Fire and Rescue covers the City of Milton.
