## **Area Information**

### **Area 029 – Kentridge**

Area 029 is located in the northeast corner of the City of Kent in an area known as East Hill Kent. The area has an overall housing population that is homogeneous and suburban in nature with little topography and no views or waterfront. It has easy access to downtown Kent and its amenities. The area is well serviced by a full range of commercial and professional services, parks, public transportation, schools, and easy access to highway 167.

Area 029 has only one sub area; sub-area 2. There are 5,829 parcels improved with single family homes in this area. Of the improved parcels, 95% of the homes are graded as 7 or 8. Homes were built between 1902 to present day with a predominant year built from 1970 to 2000.

This is a very stable area of moderate priced homes with some farm like properties mixed within it. Most of the homes have not been upgraded and there is little new construction in progress at this time.
