

2022 King County Comprehensive Plan Update

Pass/Fail Summary of Line Amendments to Proposed Ordinance 2022-0162 – December 6, 2022

#	1 st Page & Line #	Sponsor	Amendment Description	Pass/Fail
S1	n/a	McDermott	See summary matrix and effect statement.	PASSED
1	Pg 47 Line 990	McDermott/ Zahilay	<ul style="list-style-type: none"> Executive-Requested Changes to Inclusionary Housing Affordability Options. Revises the proposed inclusionary housing regulations to remove two affordability options that use both the transfer of development rights (TDRs) and the TDR for affordable housing pilot program in the voluntary inclusionary housing areas. The amendment also clarifies that units derived from the transfer of development rights must conform with affordability levels and may use the TDR for affordable housing pilot program where applicable. 	PASSED
2	Att A Pg 8 Line 149	Perry	<ul style="list-style-type: none"> Subarea Planning Schedule. Modifies the subarea planning schedule to show 2 years for Executive branch development and 1 year for Council review and adoption of each subarea plan. 	PASSED
3	Att B Pg 57 Line 1821	McDermott/ Zahilay	<ul style="list-style-type: none"> Subarea-Specific Performance Measures. Modifies Chapter 9 in the Skyway-West Hill and North Highline subarea plans to further describe the purpose of the performance measures; describe the ongoing tracking of and refinements to performance measures; and identifies data to be collected for the subarea-specific measures. 	PASSED
T1	n/a	McDermott	<ul style="list-style-type: none"> Reflects changes in S1. 	PASSED
