Dear Friend:

Government should be responsive, accountable, and understandable.

As your elected official, one of my responsibilities is to be an informational bridge between King County and its citizens.

This comprehensive guide provides you with a directory of local government agencies and offices, as well as a list of state and federal officials. I have also compiled relevant COVID-19 resources that may be of use to you or your family. I hope you find this guide helpful and informative, and I trust it will prove useful in resolving future questions or concerns involving all levels of government.

While we made every effort to ensure the accuracy of the information in this guide, some agencies and offices may have changed their contact information since its publication. The information in this booklet is current as of this month but may be subject to change. If there is other information you would like to have us include or you discover any change in information contained within, please feel free to contact my office at (206) 477-1007 or visit my Facebook page at [www.facebook.com/pete.vonreichbauer](https://www.facebook.com/pete.vonreichbauer).

With best wishes,

**Pete von Reichbauer**  
King County Councilmember  
(Pete von-Rite-Bow-er)
