When a judge has ordered you to participate in King County Electronic Home Detention, you MUST contact the EHD office by **TELEPHONE** ***no later than the following business day.***

Call the EHD office (206-296-1240, option 1) to begin the program admittance process.

- Step 1: **Schedule a phone intake**. During this phone intake, a caseworker will review your personal information and eligibility. During your phone intake, you will be given a report date to report to the EHD office (which will be on or before the date ordered by the Court).

- Step 2: **Reporting to Electronic Home Detention:** On your report date, you must first go to the King County Jail to be booked into the EHD program. After you have been booked through the jail, you will report directly to the EHD office for your Orientation and to receive your equipment. **Do NOT bring children to the EHD office**.

During Orientation, a caseworker will review with you program rules, home leave, and work schedule; and you will be issued your EHD equipment.

Failing to report as instructed above will result in a violation of your court order, and notification will be sent to the court.

If you call and are unable to get in touch with staff or a caseworker, you must leave a voice message clearly stating your first and last name and a phone number to reach you.
