## Notification of Minutes and Recordings

Unless it's an emergency situation or an executive session, all regular and special meetings of the VSHSL Advisory Board that involve final decision-making must be documented through detailed meeting minutes. These minutes will be preserved indefinitely. They should capture not only the comments of individual board members but also those of any guests who make presentations during the advisory board meetings. By participating in these meetings, board members agree to have their comments officially recorded in the minutes.
