Voices of Change and Empowerment

VISION

Together families, youth, communities, and systems will support opportunities to improve the resilience and recovery for all individuals who experience behavioral health challenges. Using an equity lens, we strive to acknowledge and address the disparities within all marginalized communities.

MISSION

Our mission is to create an inclusive space for our community to be heard. In sharing stories of lived experiences, we bring forward the needs, strengths, and opportunities of the current behavioral health system. By taking the challenges and addressing them collectively, we create system change and resolution.

KC3 Monthly Meeting Notes – June 25th, 2024

Notetaker: LeChez Bowser

Attendees:

Pattie Marshall
Karen Kelly
LeChez Bowser
Megan Socea
Abby Cantarell
Jackie Berganio
LaTonya Rogers
Kimberly Runge
Jennifer Miller
Kayleen Perkins

10 attendees participated throughout the duration of this month’s meeting. LeChez assisted with facilitation alongside Pattie. The meeting started off with introductions and an icebreaker, Land Acknowledgement, and Comfort Agreement Review.

Jackie shared an update with the community that KC3 would be ending the contract with GPS by the end of July so the KC Regional FYSPRT can go up for public bid. This decision was made due to convenience for the county.

After checking in to see if anyone had any community input and concerns, the meeting was handed over to Karen Kelly from WSCC for a System of Care Training. A parent in the room voiced their intention to reach out to Kelly to learn more.

An announcement was shared after the training about someone in our community who had recently passed away. The collective decision was made to end this month’s meeting a little

early rather than doing the activity given the circumstances. Words of affirmation and support were shared as we held space for grieving and how to reach out for more support.

Our next KC3 meeting will be on **July 23, 2024**, with a tentative location being determined as this meeting is planned to be an outdoor BBQ community event.
