Renewal Timeline (Tentative)

| Tentative Dates | Activity/Deliverable |
|--------------------|---|
| July - Nov 2024 | Community Engagement to Inform the Renewal |
| June - Dec 2024 | Draft Assessment Report (to include themes from Community Engagement) |
| Oct 24 – June 2025 | Draft Implementation Report (to include themes from Community Engagement) |

Goals for Community Engagement

- Gather input from the community to inform the program design and funding priorities for a renewed behavioral health sales tax (MIDD).
- Understand the community's perspective on the gaps and needs of the community pertaining to mental health and substance use services throughout King County.
- Develop a renewal package that is responsive to community feedback and leverages MIDD funding to support investments that strengthen the King County behavioral health system.
- Ensure that a renewed behavioral health sales tax will align with and complement federal, state, and other local funding streams and programs for behavioral health

What's Planned

Over the next 6 months, the behavioral health sales tax Renewal Team will:

- host listening sessions
- small group focus groups
- seek feedback using a survey (accessible in multiple languages)

How can MIDD AC help?

- Please share the Virtual Community Listening Sessions flyer
- Promote the Community Survey (will be ready for distribution in early August)

Virtual Community Listening Sessions

Share your thoughts to help us improve!
King County's local behavioral health sales tax brings \$80 million each year for mental health and substance use programs.

We want to hear from you! How can our local funds serve you better? Sign up for a listening session to share your input. Sessions are happening online from July-September.

We would love to learn from:

- Behavioral Health Providers
- Community Organizations
- Rural Residents
- Peers & People with Lived Experiences
- General Public
