

## Phase One Question Bank (Shortened Format)

### Goal of the Community Engagement

To ensure that equity is at the forefront of these community engagement activities, the questions are crafted to seek the input of communities from throughout King County. The focus of this round of community engagement is to gather insight on the needs, gaps and opportunities within the behavioral health system.

### PROVIDER & COMMUNITY-BASED ORGANIZATION FOCUSED QUESTIONS

- 1. Needs and Opportunities in the Behavioral Health System**
  - What do think the behavioral health system is currently doing well?
  - What do you see as the biggest behavioral health challenges King County is facing right now?
  - What services or programs do you think would have the biggest system wide impact in the behavioral health of King County residents.
  
- 2. Accessibility and Availability to Behavioral Health Services:**
  - How can King County make behavioral health services more accessible to all individuals, regardless of race, language, location, or socioeconomic status?
  - What populations or groups are you most concerned about when it comes to a need for mental health and/or substance use services?
  - What is something you'd like to mention that we haven't brought up?
