

Behavioral Health Listening Sessions

Share your voice! In-person at 9 locations across King County

How can King County's mental health and substance use system better serve you?

King County's local behavioral health sales tax generates \$80 million each year. Help us prioritize our investments! We want to hear from you!

Sign up for a listening session, happening from Sept. 23 to Oct. 10.

Space is limited so please sign-up to reserve your spot. Light snacks and a gift card will be provided for attending!

We would love to learn from:

- ✔ Behavioral Health Providers
- ✔ Community Organizations
- ✔ Rural Residents
- ✔ Peers & People with Lived Experiences
- ✔ General Public
