E. Withholding Payment:

In addition, the County may withhold any payment to the Contractor or prohibit the Contractor from incurring additional obligations of funds until the County is satisfied that Corrective Action has been taken or completed.

## 12. Termination

### A. Termination for Convenience:

This Contract may be terminated by the County without cause, in whole or in part, at any time during the term specified in Section 2. above, by providing the Contractor thirty (30) calendar days advance written notice of the termination. The Contract may be suspended by the County without cause, in whole or in part, at any time during the term specified in Section 2. above, by providing the Contractor thirty (30) calendar days advance written notice of the suspension.

This Contract may be terminated by the Contractor without cause, in whole or in part, at any time during the term specified in Section 2. above, by providing the County ninety (90) calendar days advance written notice of the termination.

### B. Termination for Default:

The County may terminate or suspend this Contract, in whole or in part, upon seven (7) business days advance written notice if the Contractor breaches any duty, obligation, or service required pursuant to this Contract. If the Contract is terminated by the County pursuant to this Subsection 12.B., the Contractor shall be liable for damages, including any additional costs of procuring similar services from another source.

If the termination results from acts or omissions of the Contractor, including but not limited to misappropriation, nonperformance of required services, or fiscal mismanagement, the Contractor shall return to the County immediately any funds, misappropriated or unexpended, that have been paid to the Contractor by the County.

### C. Termination for Non-Appropriation:

If expected or actual funding is withdrawn, reduced, or limited in any way prior to the termination date set forth above in Section 2., the County may, upon seven (7) business days advance written notice to the Contractor, terminate or suspend this Contract in whole or in part.

If the Contract is terminated or suspended as provided in this Subsection 12.C.: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination or suspension; and (2) the Contractor shall be released from any obligation to provide such further services pursuant to the Contract as are affected by the termination or suspension.

Funding or obligation under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council and/or other identified funding source(s) of sufficient funds to support the activities described in the Contract. If such appropriation is not approved, this Contract will terminate at the close of the current

appropriation year. The current funding sources associated with this Contract are specified in the Statement of Work.

If the Contract is suspended as provided in this Section, the County may provide written authorization to resume activities.

D. Non-Waiver of Rights:

Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or by law or equity that either party may have if any of the obligations, terms, and conditions set forth in this Contract are breached by the other party.

**13. Hold Harmless and Indemnification**

A. Duties as Independent Contractor:

In providing services under this Contract, the Contractor is an independent contractor, and neither it nor its officers, agents, or employees are employees of the County for any purpose. The Contractor shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits, or taxes, by, or on behalf of the Contractor, its employees, and/or others by reason of this Contract.

The Contractor shall protect, indemnify, defend, and save harmless the County, its officers, agents, and employees from and against any and all claims, costs, and/or losses whatsoever occurring or resulting from (1) the Contractor's failure to pay any such compensation, wages, benefits, or taxes, and/or (2) the Contractor's employees or other suppliers supplying work, services, materials, or supplies to the Contractor in connection with or support of the performance of this Contract.

B. Contractor's Duty to Repay County:

The Contractor is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional act, and/or failure, for any reason, to comply with the terms of this Contract, by the Contractor, its officers, employees, agents, and/or representatives. This duty to repay the County shall not be diminished or extinguished by the termination of the Contract.

C. Contractor Indemnifies County:

To the maximum extent permitted by law, the Contractor shall protect, defend, indemnify, and save harmless the County, its officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of, or in any way resulting from, the negligent acts or omissions of the Contractor, its officers, employees, Subcontractors and/or agents, in its performance or non-performance of its obligations under this Contract. The Contractor's obligations under this Subsection 13.C. shall extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or

agents. For this purpose, the Contractor, by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under any industrial insurance act, including [Title 51 RCW](#), other Workers' Compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim. In addition, the Contractor shall protect and assume the defense of the County and its officers, agents, and employees in all legal or claim proceedings arising out of, in connection with, or incidental to its indemnity obligation; and shall pay all defense expenses, including reasonable attorney's fees, expert fees, and costs incurred by the County on account of such litigation or claims. If the County incurs any judgment, award, and/or cost arising therefrom including reasonable attorneys' fees to enforce the provisions of this article, all such fees, expenses, and costs shall be recoverable from the Contractor.

**D. Intellectual Property Infringement:**

For purposes of this Subsection 13.D., claims shall include, but not be limited to, assertions that use or transfer of software, books, documents, reports, digital media, videos, or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, and/or otherwise results in unfair trade practice.

The indemnification, protection, defense, and save harmless obligations contained herein shall survive the expiration, abandonment, or termination of this Contract.

**14. Insurance Requirements**

- A. Prior to execution of the Contract, Contractor shall provide evidence of the insurance required under this Contract, including a Certificate of Insurance and endorsements covering the County as additional insured for full coverage and policy limits prior to Contract Execution. Evidence of insurance and endorsements shall be submitted via DCHS' Contract Lifecycle Management system or email to [DCHSContracts@kingcounty.gov](mailto:DCHSContracts@kingcounty.gov). The Contractor may request additional time to provide the required documents by emailing [DCHSContracts@kingcounty.gov](mailto:DCHSContracts@kingcounty.gov). Extensions will be granted at the sole discretion of the County. All evidence of insurance shall be signed by a properly authorized officer, agent, general agent, or qualified representative of the insurer(s), shall set forth the name of the insured(s), the type and amount of insurance, the location and operations to which the insurance applies, the inception and expiration dates, Contract number, and shall state that the County shall receive notice at least thirty (30) days prior to the effective date of any cancellation, lapse, or material change in the policy. Similar documentation confirming renewal of required insurance shall be provided on each insurance renewal date.
- B. In the event of a loss, the County reserves the right to require complete, certified copies of all required insurance policies, including endorsements and riders, which may be redacted of any confidential or proprietary information. Contractor shall deliver such policies to the County within five (5) business days of County's request.

Failure to provide such insurance in a timeframe acceptable to the County shall enable the County to suspend or terminate the Contractor's Work hereunder in accordance with Subsection 12.A. above. Suspension or termination of this Contract shall not relieve the Contractor from its insurance obligations hereunder.

C. The County's receipt or acceptance of the Contractor's evidence of insurance at any time without comment or objection, or the County's failure to request certified copies of such insurance, does not waive, alter, modify, or invalidate any of the insurance requirements set forth in this Section or, consequently, constitute the County's acceptance of the adequacy of the Contractor's insurance or any Subcontractor's insurance or preclude or prevent any action by the County against the Contractor for breach of the requirements of this Section.

D. Insurance Requirements:

The Contractor shall purchase and maintain the minimum insurance set forth below. By requiring such minimum insurance, the County does not and shall not be deemed or construed to have assessed the risks that may be applicable to the Contractor, or any Subcontractor, under this Contract, or in any way limit the County's potential recovery to insurance limits required hereunder. To the contrary, this Contract's insurance requirements may not in any way be construed as limiting any potential liability to the County or the County's potential recovery from the Contractor. The Contractor shall assess its own risks and if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

Nothing contained within these insurance requirements shall be deemed to limit the scope, application, and/or limits of the coverage afforded, which coverage shall apply to each insured to the full extent provided by the terms and conditions of the policy(ies).

Each insurance policy shall be written on an "occurrence" basis/form; excepting insurance for Professional Liability (Errors and Omissions), and/or Cyber Liability (Technology Errors and Omissions), if required by this Contract, is acceptable on a "claims made" basis/form. If coverage is purchased on a "claims made" basis/form, the coverage provided under that insurance shall be maintained either through: (i) consecutive policy renewals for not less than three (3) years from the date of the work which is subject to this Contractor or, if such renewals are unavailable, (ii) the purchase of a tail/extended reporting period for not less than three (3) years from the date of completion of the work which is subject of this Contract. All insurance written on a "claims made" basis/form must have its policy inception or retroactive date be no later than the effective date of the Contract, unless otherwise approved in writing by the County's Office of Risk Management Services.

E. Minimum Scope and Limits of Insurance:

The Contractor shall maintain the following types of insurance and minimum insurance limits:

1. Commercial General Liability: \$\$1,000,000 per occurrence and \$\$2,000,000 in the aggregate for bodily injury, personal and advertising injury, and property damage. - G. **Deductibles and Self-Insured Retentions:** Any deductible and/or self-insured retention of the policies shall not in any way limit the County's right to coverage under the required insurance, or to the Contractor's or any Subcontractor's liability to the County and shall be the sole responsibility of the Contractor or its Subcontractor, even if no claim has actually been made or asserted against Contractor or Subcontractor.
- H. **Acceptability of Insurers:** Unless otherwise approved by the County, insurance is to be placed with insurers with an [A.M. Best](#) rating of no less than A:VIII, or, if not rated with an A.M. Best, with minimum surplus equivalent of an A.M. Best surplus size VIII.
- Professional Liability (Errors and Omissions) insurance coverage may be placed with insurers with an A.M. Best rating of B+:VII.

- I. **Subcontractors:** The Contractor shall include all Subcontractors as insureds under its policies or, alternatively, the Contractor must require each of its Subcontractors to procure and maintain appropriate and reasonable insurance coverage and insurance limits to cover each of the Subcontractor's liabilities given the Subcontractor's Statement of Work and the services being provided herein. To the extent reasonably commercially available, insurance maintained by any Subcontractor must comply with the specified requirements of this Section (inclusive) above, including the requirement that all liability insurance policies (except Professional Liability and Workers Compensation) provided by the Subcontractor(s) must include King County, its officers, officials, agents and employees as additional insured for full coverage and policy limits. Upon request by the County, and within five (5) business days, the Contractor must provide evidence of each Subcontractor(s) insurance coverage, including endorsements.
- J. **Exceptions:** The Contractor may request a waiver or reduction (exception) to one or more of the insurance requirements if the insurance requirement is not applicable to the Contractor's Statement of Work or obtaining the expected insurance presents an undue financial hardship. Such requests shall be made during the contract negotiation process. All exception request approvals or denials are in the County's sole discretion, and all exception approvals must be in writing. If approved by the County, the Contractor shall still provide proof of and hold all other required insurance provisions as stated above.

## **15. Assignment**

The Contractor shall not Assign any interest, obligation, or benefit under or in this Contract or transfer any interest in the same, whether by Assignment or novation, without prior written consent of the County. ## **16. Subcontracting**

### **A. Written Consent of the County:**

The Contractor shall not Subcontract any portion of this Contract or transfer or assign any claim arising pursuant to this Contract without the written consent of the County. The County retains the right to review any proposed Subcontracts related to the performance of the activities outlined in the attached Statement of Work. The County's consent shall be sought in writing by the Contractor not less than fifteen (15) business days prior to the date of any proposed Subcontract.

The County's rejection or approval of any Subcontractor or the termination of a Subcontractor shall not relieve Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the County.

In no event shall the existence of the Subcontract operate to release or reduce the liability of Contractor to the County for any breach in the performance of the Contractor's duties.

The County has no contractual obligations to any Subcontractor or vendor under contract to the Contractor. The Contractor is fully responsible for all contractual obligations, financial or otherwise, to its Subcontractors.

### **B. Required Clauses for Subcontracts:**

During performance of this Contract, the Contractor and all parties subcontracting under the authority of this Contract agree that they will not discriminate against any employee or applicant for employment because of one or more of the employee or applicant's protected classes as defined in King County Code (KCC) chapter 3.12D, as amended, unless based upon a bona fide occupational qualification.

Ref: [KCC 12.16.020](#)

B. Equal Employment Opportunity Efforts:

Violations of this requirement may result in disqualification of the Contractor from bidding on or being awarded a County Contract for up to two years; contractual remedies including, but not limited to, liquidated damages and/or termination of the Contract; remedial action as set forth in public rule; and other civil remedies and sanctions allowed by law.

D. Nondiscrimination in Subcontracting Practices:

During the term of this Contract, the Contractor shall not create barriers to open and fair opportunities to participate in County contracts or to obtain or compete for contracts and

subcontracts as sources of supplies, equipment, construction, and services. In considering offers from and doing business with subcontractors and suppliers, the Contractor shall not discriminate against any person because of one or more of their protected classes as defined in KCC chapter 3.12D, as amended.

**E. Compliance with Laws and Regulations:**

The Contractor and all parties subcontracting under the authority of this Contract shall comply fully with all applicable federal, state, and local laws, ordinances, executive orders, and regulations that prohibit discrimination. Absent authorization for delayed or alternative compliance, failure to comply with this provision shall be considered a material breach of this Contract and may subject the Contractor to administrative sanctions and remedies for breach. When the Contract is valued at \$\$25,000 or more, by signing the Contract the Contractor is indicating compliance with this requirement or with the terms of an authorization for delayed or alternative compliance.

**19. Code of Conduct**

The County is committed to providing an inclusive, welcoming, supportive, and safe environment for all to feel respected, valued, and empowered. The Contractor shall, while performing the work as described in the attached Statement of Work, interact with the community being served and the County's employees as follows:

The County and the Contractor shall refrain from engaging in any conduct that communicates a hostile, demeaning, or unwelcome message. Such prohibited conduct can be either verbal or nonverbal and includes, but is not limited to, microaggressions, deliberate misgendering, slights, and other conduct that could cause harm. B. Penalties:

Pursuant to [KCC 3.04.060](#), the Contractor shall not willfully attempt to secure preferential treatment in its dealings with the County by offering any valuable consideration, thing of value or gift, whether in the form of services, loan, thing, or promise, in any form to any County official or employee. The Contractor acknowledges that if it is found to have violated the prohibition found in this paragraph, its current Contracts with the County will be cancelled and it shall not be able to bid on any County Contract for a period of two years.

C. Former King County Employees:

The Contractor acknowledges that, for one year after leaving County employment, a former County employee may not have a financial or beneficial interest in a Contract or grant that was planned, authorized, or funded by a County action in which the former County employee participated during County employment. Contractor shall identify, at the time of offer, current or former County employees involved in the preparation of proposals or the anticipated performance of Work if awarded the Contract. Failure to identify current or former County employees involved in this transaction may result in the County's denying or terminating this Contract. After Contract award, the Contractor is responsible for notifying the County's Project Manager as identified in the DCHS CLM system of current or former County employees who may become involved in the Contract at any time during the term of the Contract.

**21. Equipment Purchase, Maintenance, and Ownership**

## **25. Future Support**

The County makes no commitment to support contracted services and assumes no obligation for future support of the contracted activity(-ies), except as expressly set forth in this Contract. The Contractor acknowledges that a finding of noncompliance resulting from such review and failure to take appropriate Corrective Action satisfactory to the County may be considered by the County as evidence of unsatisfactory performance in consideration of any future funding awards.

## **26. Entire Contract**

The parties agree that this Contract is the complete expression of the described subject matter, and any oral or written representations or understandings not incorporated herein are excluded. Both parties recognize that time is of the essence in the performance of this Contract.

## **32. Non-Waiver of Breach**

Waiver of any default shall not be deemed to be a waiver of any subsequent default. No action or failure to act by the County shall constitute a waiver of any right or duty afforded to the County under the Contract; nor shall any such action or failure to act by the County modify the terms of the Contract or constitute an approval of, or acquiescence in, any breach hereunder, except as may be specifically stated by the County in writing.

## **33. Force Majeure**

Should Force Majeure events delay the Contractor’s completion of the deliverables and performance commitments, the Contractor may be entitled to an extension for the time for completion. Any extension must be approved in writing by the County.

D. Suspending Performance:

Should a Force Majeure event prevent the Contractor from completing deliverables or performing commitments in this Contract, the completion or performance shall be suspended only for the time and to the extent commercially practicable to restore normal operations. Further, the Contractor and the County shall endeavor to continue to perform their contractual obligations to the extent reasonably practicable and will work to adjust deliverables or performance commitments as needed to continue the provision of services during the Force Majeure event.
