King County

The Developmental Disabilities and Early Childhood Supports Division helps residents with developmental disabilities take part in community life.

The Board shares information with community on developmental disabilities services.

Board meetings are held quarterly; check the website for details. Meetings are open to the public and are both online and in person. Board Members use this time to educate, train, learn, and connect.

Closed Captioning, American Sign Language and Interpreter Services are available

Recommend interested people to serve on the board!

JOIN OUR BOARD!

The Board for Developmental Disabilities is looking for members to serve on the Board.

Board's role is to:

- ✓ Share about community resources and events;
- ✓ Hold meetings that are welcoming and include everyone; and
- ✓ Listen to the community.

The Board is currently recruiting members who are:

- ✓ Persons with a disability;
- ✓ Parents of young children with developmental delays or disabilities; and
- ✓ Black, Indigenous and People of Color.

Are you interested in joining our board?

Attend some board meetings to see if serving on the Board would interest you.
Apply to become a Board Member

Every person can make a difference and every person should try.
John F. Kennedy

An application and more information are available at https://www.kingcounty.gov/depts/community-human-services/developmental-disabilities/board-developmental-disabilities.aspx or contact Jim Ott at Jim.Ott@kingcounty.gov.
