CLERK'S ALERT

State Court Outage / Planned Downtime for King County Clerk's Office Systems

Earlier this week, Washington's Administrative Office of the Courts (AOC) announced they had identified unauthorized activity on the Washington Courts network. AOC took immediate action to secure critical systems and are currently working to safely restore service. As a result, the state's Judicial Information System, Washington Court's website and affiliate websites are currently down. The duration of the outage is unknown but will continue into the week of November 11, 2024.

King County Superior Court and Clerk's Office online systems are working and are not affected by the State Court outage.

However, **the King County Superior Court Clerk's Office systems will be down for a planned outage starting Friday November 8, 2024 at 4:30 p.m. through Monday November 11, 2024 (Veteran's Day)** as the Clerk's Office transitions to its new E-Filing system. King County systems will be back online by 7:00 a.m. November 12, 2024. For more information, please visit [Systems Replacement Project News](#).
