2. I have been informed and fully understand that I have the right to representation by a lawyer and if I cannot afford to pay for a lawyer, one will be provided at no expense to me.

3. I understand and agree that if I do not comply with the conditions of this agreement:
 - (A) A hearing will be held to determine whether I should be terminated from Drug Court. If it is found I should be terminated, then a trial by a judge will be held to determine my guilt or innocence beyond a reasonable doubt with respect to this/these charge/charges.

 - (B) This trial will be limited to the judge reviewing the State's evidence including the discovery and the results of any scientific testing. I stipulate to the admissibility of any scientific testing in the discovery. This stipulation is not an admission of guilt and is not sufficient, by itself to warrant a finding of guilt.

 - (C) I give up the right to contest and object to any evidence presented against me and to present evidence on my own behalf as to my guilt or innocence. I retain the right to object to sufficiency of the evidence to prove my guilt beyond a reasonable doubt.

4. I agree to complete the treatment program as ordered by the Court.

5. I agree to sign a waiver allowing the treatment provider to release treatment information to the Court, defense counsel, the prosecuting attorney, and Drug Diversion Court Services staff. This information shall be used only to monitor compliance in this case and for no other purpose.

6. I agree that as part of Drug Court procedure, that prior to hearings the judge will meet regularly with a group consisting of my attorney, the prosecutor, law enforcement, treatment staff and case managers to discuss my case. I will not be present during these meetings, they will not be recorded, and they will not be open to the public. The judge will not make any decisions at these meetings and will give me the opportunity to provide input at a subsequent hearing before making a decision in my case.

- 1

3 7. I understand and agree that I am responsible for obtaining a Participant Handbook
4 from the Court and for knowing all of the rules and procedures contained in it.
5 Written notice of any amendments will be posted in the courtroom. I am responsible
6 for knowing those amendments. I am expected to be familiar with the King County
7 Drug Diversion Court Policy and Procedures Manual and any appendices posted.
8 The King County Drug Diversion Court Policy and Procedures Manual and
9 Appendices are available in the Drug Diversion Court courtrooms or on the King
10 County Drug Diversion Court website. The website address is:

13
14 8. I agree that I will not knowingly associate with any person possessing or using illegal
15 drugs. I also agree that if ordered by the court, I will stay out of specific areas
16 associated with drug trafficking.
17
18 9. I understand and agree that I may not possess or use any firearm while I am in Drug
19 Diversion Court.
20
21 10. I agree that I will not work with any police agency on any criminal cases or on any
22 case where I may come into contact with illegal drugs.
23
24 11. I agree that to graduate from Drug Diversion Court I must complete 24 hours of
25 community service according to the schedule laid out in the Drug Diversion Court
26 Participant Handbook.
27
28 12. I agree to pay any and all restitution owed as a result of the crimes encompassed in
these case number(s). I understand that I will not be allowed to graduate from Drug
Court or have my case(s) dismissed or reduced, unless restitution in the amount of
\$2000 is paid in full. I further understand that my progress in Drug Court will be
affected by my progress in restitution payments. I acknowledge and accept that I
may be terminated from Drug Court if I do not satisfy my restitution obligation of
\$2000 in a timely manner, whether the failure to pay is willful or not. If I have
restitution in an amount that exceeds \$2000 my case will not be dismissed unless the
entire amount owing is paid in full. If I am unable to pay the entire amount in full,
but have met all other conditions in Drug Court, my case will be reduced to a gross
misdemeanor, I will plead guilty to that reduced charge and the parties will jointly
request a deferred sentence. The only condition of the deferred sentence will be to
pay the remaining balance within a 24-month timeline. If I pay the balance, I can ask

1
2 the judge to set aside the guilty plea and dismiss the charge. If I am still unable to
3 pay the entire amount after a 24-month timeline my case will remain a gross
4 misdemeanor and the guilty finding will not be dismissed as part of the deferral.

5 **No restitution owed**

Restitution order attached

8 failure to abide by the terms of this agreement, or commission of a new crime,
9 may result in modification of the treatment program, imposition of a sanction,
10 revocation of my conditional release, and/or termination from the program.

- a. The standard sentence range is based on the crime(s) charged and my criminal history in the Appendix B attachment. Defense retains the right to object to out of state convictions. Criminal history includes prior convictions and juvenile adjudications or convictions, whether in this state, in federal court, or elsewhere. The prosecuting attorney’s statement of my criminal history is attached to this agreement. Unless I have attached a different statement, I agree that the prosecuting attorney’s statement is correct and complete. If I am convicted of any additional crimes between now and the time I am sentenced, I am obligated to tell the sentencing judge about those convictions. If I am convicted of any new crimes before sentencing, or if any additional criminal history is discovered, both the standard sentence range and the prosecuting attorney’s recommendation may increase. Even so, this agreement is binding on me and I cannot change my mind even though the standard sentencing range and prosecuting attorney’s recommendation may increase.
- b. The judge does not have to follow anyone’s recommendation as to sentence. The judge must impose a sentence within the standard range unless the judge finds substantial and compelling reasons not to do so. If the judge goes outside the standard range, either the State or I can appeal the sentence.
- c. The sentences imposed on counts _____ will run concurrently unless there is a finding of substantial and compelling reasons to do otherwise.
- d. In addition to sentencing me to confinement, the judge will order me to pay \$500 to a victim’s compensation fund assessment and a \$100 DNA fee. If this crime is a felony drug violation of RCW 69.50, the judge will impose an additional fine of \$1000 (\$2000 if this is not my first such conviction) unless the judge finds that I am indigent. If this crime is a violation of RCW 69.50.401 relating to synthetic cannabinoid, the judge will impose an additional fine of at least \$10,000 pursuant to RCW 69.50.430, unless the judge finds that I am indigent. If this crime resulted in injury to any person or damage to or loss of property, the judge will order me to make restitution, unless extraordinary circumstances exist which make restitution inappropriate. The judge may also order that I pay a fine, court costs, and incarceration, lab, and attorney fees and place other restrictions and requirements upon me. Furthermore, the judge may place me on community custody.
- e. Because this crime involves the manufacture, delivery, or possession with intent to deliver methamphetamine, including its salts, isomers, and salts of isomers or amphetamine, including its salts isomers and salts of isomers, and if a fine is imposed,

1
2 \$3000 of the fine may not be suspended. RCW 69.50.401(2)(b). If not applicable, this
3 paragraph should be stricken and initialed by the defendant and the judge.

- 4 f. Government assistance may be suspended during any period of confinement.
- 5 g. In addition to confinement, if the total period of confinement ordered is 12 months
6 or less, the judge may impose up to one year of community custody for a crime
7 against a person under RCW 9.94A.411 or a felony violation of chapter 69.50 or
8 69.52 or an attempt, conspiracy or solicitation to commit such a crime. If the total
9 period of confinement ordered is more than 12 months, the judge will sentence me
10 to the following period of community custody, unless the judge finds substantial
11 and compelling reasons to do otherwise:

12 For crimes committed prior to July 1, 2000: for a drug offense, one year.

13 For crimes committed on or after July 1, 2000, and prior to August 1, 2009, as follows:
14 crimes against person or violation of RCW 69.50 or 69.53: a range of 9 to 12 months.

15 For crimes committed on or after August 1, 2009, as follows: crimes against persons or
16 violations of RCW 69.50 or 69.52: 12 months.

17 During the period of community custody, I may be under the supervision of the
18 Department of Corrections, and I will have restrictions and requirements placed upon
19 me. My failure to comply with these conditions will result in the Department of
20 Corrections transferring me to a more restrictive confinement status or other
21 sanctions being imposed.

- 22 h. The judge may sentence me as a first-time offender instead of imposing a sentence
23 within the standard range if I qualify under RCW 9.94A.650. This sentence may
24 include as much as 90 days of confinement plus all of the conditions listed in
25 paragraph (14)(d). The judge also may require me to undergo treatment, to devote
26 time to as specific occupation, and to pursue a prescribed course of study or
27 occupations training. In addition, I may be sentenced to up to 6 months or, if
28 treatment is ordered, 12 months of community custody.
- i. The judge may sentence me under the special drug offender sentencing
alternative (DOSA) if I qualify under former RCW 9.94A.120(6) (for offenses
committed before July 1, 2001) or RCW 9.94A.660 (for offenses committed on
or after July 1, 2001). This sentence could include a period of total confinement
in a state facility for one-half of the midpoint of the standard range or 12 months,

1
2 whichever is greater, and community custody of at least one-half of the midpoint
3 of the standard range, plus all of the other conditions described in paragraph
4 (14)(d). The judge could impose a residential-based DOSA alternative that
5 would include three to six months of residential chemical dependency treatment
6 and 24 months of community custody, plus all the other conditions described in
7 paragraph 14(d). During confinement and community custody under either
8 alternative, I will be required to participate in substance abuse evaluation and
9 treatment, not to use illegal controlled substance and to submit to testing to
10 monitor that, and other restrictions and requirements will be placed on me.

11
12 j. The judge may sentence me under the parenting sentencing alternative if I qualify under
13 RCW 9.94A.655. A sentence under that alternative would consist of a period of 12
14 months of community custody, plus all of the other conditions described in paragraph
15 14(d). During community custody, I will be required to follow conditions imposed by
16 the court and the Department of Corrections.

17
18 k. A finding of guilt under RCW 46.20.285 (3) or (4), will result in the revocation of
19 my privilege to drive. If I have a driver's license, I must now surrender it to the
20 judge if this paragraph applies to me.

21
22 l. I understand that RCW 46.20.285(4) requires that my driver's license be revoked if
23 the judge finds I used a motor vehicle in the commission of this felony.

24
25 m. If this crime involves a drug offense associated with hypodermic needles, I will
26 be required to undergo testing for the human immunodeficiency virus (HIV).

27
28 n. If I am not a citizen of the United States, I understand that a finding of guilty to an
offense(s) punishable as a crime under State law may be and for some crimes is
grounds for deportation, exclusion from admission to the U.S., or denial of
naturalization pursuant to the laws of the United States.

o. If found guilty, I will be required to provide a biological sample for purposes of
DNA identification analysis.

p. If found guilty, I understand that I may not possess, own, or have under my control
any firearm unless my right to do so is restored by a court of record and that I must
immediately surrender any concealed pistol license. RCW 9.41.040.

q. If found guilty, I will be ineligible to vote until that right is restored in a manner
provided by the law. If I am registered to vote, my voter registration will be cancelled.
