## Terminology

### **Filings**

Number of petitions (cases) filed.

### **Resolutions**

Number of petitions (cases) resolved, either by “approval” or “dismissal” of petitions. Unlike the definition of “resolution” for other Superior Court case types, the “resolution” for these case categories does not indicate the end of judicial involvement if the petition is approved.

### **Pending Resolution**

Number of active cases that have not been resolved, namely the petition has neither been approved nor dismissed yet.

### **Resolved, Pending Completion**

Number of cases for which the petition has been approved, but issues (sometime significant issues) still remain in which the court is actively involved.

### **Resolution Age**

Time (days) from filing to resolution, less suspense time if applicable.

### **Pending Resolution Case Age**

Time (days) from filing to the last day of the reporting period for these cases that still remain unresolved (no approval or dismiss yet), less suspense time, if applicable.

### **Pending Completion Case Age since the Approval of Petition**

Time (days) from filing from the approval of the original petition (resolution) to the last day of the reporting period for those cases that still remain uncompleted (resolved, but with court activities), less suspense time, if applicable.

### **Number of Fact-findings (FF)**

This is an estimate of actual fact-finding hearings held due to siblings belonging to one family unit having data entered on each case for the same fact-finding hearing proceeding.

### **Number of Hearings (non Fact-findings)**

Number of all hearings other than fact-findings entered during the reporting period. The number of hearings is further divided into “pre-resolution” and “post-resolution” hearings depending on the time of the hearings in relation to the resolution date.
