

WTD's Local Public Agency (LPA) Program: Process Evaluation

March 7, 2019

Components of the Process Evaluation:

- Overview of the LPA program
 - Review and approve modification that impact WTD's regional conveyance system
 - Current workloads and staffing
- Overview of the Process Evaluation
 - Scope
 - Identify the current process through interviews with key WTD staff and review of historic documentation
 - Initial themes
 - Tracking
 - Web site with general program information
 - Communications (internal and external)
 - Schedule
 - Consultant work launched in January 2019
 - Draft recommendations Q2 2019

Local Agency involvement in the process update:

- Briefing and discussion with MWPAAC E&P Subcommittee
- Initial discussion topics
 - Digital document submission and storage
 - Website content – What information regarding the LPA process would be helpful for local agencies to see on a website? How can we use the website to improve local agencies' and their applicants' understanding of the process?
 - Single point of contact (i.e. central LPA email address)

Other input?
