HISTORIC PRESERVATION OFFICER'S REPORT: Meisner reported that the recent Regional Preservation Workshop was well-attended, and that recordings will be available on KC YouTube and Vimeo sites soon. The next regional training will be held in-person at the Issaquah depot sometime in May, as part of preservation month. Meisner gave an update on the downtown Renton survey – noting that most of the fieldwork for the architectural survey was finished, and HPP staff was working through the URM element of the survey. Meisner updated the Commission regarding the status of 4Culture's grant programs, noting that there was a plan developing to separate out funding landmark nominations for an extra grant round this year, so we don't have to wait until Special Projects is back up and running in 2025.
