SUPPLEMENTAL MAINTENANCE AGREEMENTS

Supplemental Maintenance Agreements (SMA's) are seasonal/short-term agreements with a volunteer group that authorize the volunteer group to perform limited maintenance tasks on athletic ball fields above the level/or in addition to the level of maintenance that King County Park's maintenance staff provides. All volunteers must attend a training session and will be issued a card authorizing the volunteer to perform only those duties specified in the agreement.

If your organization is interested in performing specific maintenance tasks specified in the agreement for the 2025 season, please contact the scheduling office for the appropriate staff member and telephone number for your region. **No one has authorization to do any maintenance related work on King County athletic fields without prior permission and training.**

If you have questions about SMA's or wish to view a sample copy of a Supplemental Maintenance Agreement, please contact the scheduling office.

FIELD USE RULES AND GUIDELINES

We welcome your use of King County Park's facilities and appreciate your cooperation in making our parks a safe, positive environment for all users.

FIELD CLOSURE INFORMATION – RAINOUTS

Field closures may result from inclement weather, poor playing conditions or field damage which may cause hazardous safety considerations for the public or excessive repair work to bring the field back to a playable condition. It is the organization's responsibility to obtain field closure and rainout information by checking the Statusfy App, statusfy.com, or by calling 206-205-6722 which will be updated by field staff. This app will be updated weekdays by 3:00 p.m. On weekends the line will be updated by 7:00 a.m. for early games and, if conditions change, also at 12:00 p.m. (noon) for late afternoon games and 3:00 p.m. for evening games. The rainout updates will announce the day and date.

IMPORTANT: If the field has been rained out by Park's staff, **STAY OFF THE FIELD!** You are not allowed to try to prep the field to get it into playing condition even if the field has dried out since the rainout was posted. Any foreign materials such as bark, sand, dirt, kitty litter, diamond dry, etc are strictly prohibited. **Field repair fee: \$65 per hour.** Repeat offenses may result in revocation of field use privileges.

SYNTHETIC TURF FIELD RULES

- Food, soda, juice and other drinks must be consumed off the field surface. Drinking water is permitted in all areas.
- Sunflower seeds, gum and tobacco products are prohibited in all areas
- Metal Cleats are prohibited
- Pets are not allowed
- Bicycles, skateboards, rollerblades and scooters are prohibited
- Fireworks, model rockets and other explosive devices are prohibited in the park
- Alcoholic beverages are prohibited in all areas
- Authorized motor vehicles only

FIELD LIGHTING PROBLEMS

Please see page 6 for information on reporting problems with scheduled field lighting at the following fields:

- Big Finn Hill Park
- Marymoor Park
- Redmond Ridge
- Petrovitsky Park
- Steve Cox Memorial Park
- Ravensdale Park
- Preston Park

These fields have remote controlled light timers which under normal circumstances may be adjusted after hours. **Note: We do not send maintenance staff out to fix lighting problems after hours.**

WE ARE SERIOUS ABOUT ENFORCING THE LAW.

- King County Sheriff and local police routinely patrol County parks.
- Parks personnel will report violators.
- Violations may result in citations and/or revocation of field use privileges.

TOBACCO PRODUCTS BANNED

In July 2012, the King County Council passed KC Ordinance 17375 banning the use of tobacco products in high-use areas of King County Parks facilities.

Athletic fields, sport courts, play areas, picnic shelters and parking lots are examples of high-use areas. Tobacco products such as chewing tobacco, cigarettes, cigars, and pipe tobacco are not allowed in these areas.

ALCOHOLIC BEVERAGES

NO ALCOHOLIC BEVERAGES ARE ALLOWED IN KING COUNTY PARK FACILITIES

WITHOUT A PERMIT. County law prohibits the opening or consumption of alcoholic beverages in any area under the ownership, management, or control of the King County Parks Division without written permission. Consumption of alcoholic beverages is prohibited except in areas designated by the Manager or the Manager's designee. Violation of this law is a misdemeanor. Any person convicted of violating the law shall be fined up to \$500.00 or imprisoned in the County jail up to 90 days or both. In addition, any person who fails to comply with the law may be ejected from the park facility and barred from the use of any park facility in the future.

LITTER CONTROL

Leagues will be held responsible for excessive litter left after games and practices. We recommend that the home team be made responsible for cleaning up the area before they leave. Maintenance will monitor and report abuses of this policy and a clean-up fee will be imposed when excessive maintenance time is needed to clean the area. **Clean-up fee: \$65.00 per hour.** Repeat offenses may result in revocation of field use privileges.

THINGS YOU SHOULD KNOW

LATE PAYMENT PENALTY

Full payment is due upon confirmation of scheduling. Do not wait to pay. All fee adjustments will be billed or credited at the end of your season. 1.0% late fee per month will be charged on all balances 30 days past due (\$25.00 minimum late fee per month). See page 5.

JAMBOREE, SPORTS CAMPS, AND TRYOUTS

Marymoor Park Light Cell Ph: 206-225-8936

Regional Light Cell Ph: (All fields except Marymoor) 206-214-7548

Lights come on 15 minutes before your scheduled use. **Please do not call us before that time.**

RAINOUTS

When maintenance has rained out a field, **stay off the entire field**. Do not assume it is ok to practice because the field has dried out. The field may not be in safe condition or use may damage the field resulting in longer closure times. Field repair fee: \$65 per hour.

SUPPLEMENTAL MAINTENANCE

Sign up for a Supplemental Maintenance Agreement. Once trained your group will be allowed to rake, line, and move bases. Training cards will be issued to those that attend a mandatory training session. All others are not allowed to do any manual labor on County fields.

INFIELD SOIL

Do not add any foreign materials to the infield mix such as bark, sand, dirt, kitty litter, diamond dry, etc. This causes major maintenance problems that cost the County thousands of dollars each year.

DESIGNATED PARKING AREAS

Only County vehicles are allowed on Parks property other than in designated parking areas. Do not remove bollards and drive onto park property to unload or park. You will need to carry all items from the parking area to the fields. Bring a wagon or cart for heavy items. Do not block roadways. Your vehicle may be cited by police or towed.

D: The Permittee shall comply with all applicable anti-discrimination and affirmative action ordinances, laws and statutes, including but not limited to King County Ordinance 5983, 4258, and R.C.W. Chapter 49.60.

Marymoor Parking Fee Information

Daily Parking Fee - \$1.00

Why is there a parking fee?

The parking fee at Marymoor was instituted in February 2003 on the recommendation of a blue-ribbon panel that had held a series of public meetings on ways to offset drastic reductions to the Parks and Recreation Division budget. Even with the new parking fee, the Parks Division laid off 130 full time employees in 2003, nearly half of the workforce. In 2004 and 2007, voters passed modest parks levies but levy funding still only partially covers the cost of operating the parks. Consequently, the parking fee at Marymoor Park is a critical revenue source to keep the parks open, clean and safe.

How do I pay for parking?

Insert \$1 cash into one of the eleven parking payment machines located in all major parking lots in the park. Take receipt to your car and place it face up on the driver's side of your dashboard so it is clearly visible. Frequent visitors may wish to purchase a long-term permit, which is displayed on the driver's side of the vehicle windshield. See long-term permit pricing and purchase options below.

Long term parking permits are also available online or at the Park office.
<https://kingcounty.gov/parks/marymoorparking>

2 Months - \$20.00	3 Months – \$30.00
6 Months – \$55.00	12 Months - \$100.00

Daily parking passes of \$1.00 available in booklets of 5

Contact the Park office for group rates at 206-477-7275

What is the penalty for not paying?

A violation notice for failure to pay the parking fee carries a fine of:

- \$35 if paid within 30 days
- “Quick Pay” option – If paid within 10 days, the fine is reduced from \$35 to \$15. No long-term permit is issued
- 12-month Permit – Purchase a 12-month permit for \$100 and the fine is reduced to \$10 – total cost: \$110
- Or contest the violation notice and request a review by the division director in writing within 10 days.

How do I pay the parking fine?

- 1) Fines may be paid online at <https://kingcounty.gov/parks/marymoorparking>
- 2) Fines may be paid is by mailing the violation notice with payment (check, money order, Visa, MasterCard or Discover Card number and expiration date) to:
King County Parks, Marymoor
6046 West Lake Sammamish Pkwy NE
Redmond, WA 98073
- 3) Fines may be paid in person at the Marymoor Scheduling Office located at the west end of Marymoor Park where the method of acceptable payment includes cash as well as those listed above. The Scheduling Office is open Monday through Friday, 9:00 a.m. – 4:00 p.m. and may be reached by calling 206-477-7275.

How do I dispute the parking ticket?

Send the violation notice with written information describing the circumstances to justify reconsideration to the address above within 10 days of issuance. Please include your contact information. You will be notified of the Director's decision in writing. The Director's decision may be appealed to the County Hearing Examiner if a written appeal is filed within 24 days of mailing of the director's decision and in accordance with K.C.C. 20.22.080. The Hearing Examiner's decision will be final.

What happens if I do nothing?

Failure to act within 30 days of issuance will result in additional monetary penalties and referral to a collection agency. It may also result in towing and impoundment of the vehicle and loss of park and recreation facility use privileges for flagrant offenders.

Where does the parking violation money collect go?

The revenue collected from parking fines goes directly back into the Parks Division budget to offset costs of enforcement and is used to help keep King County Parks open, clean and safe for all visitors.

Thank You for Supporting King County Parks, Your BIG Backyard!
