

MAIN GROUP CONTACT

The main group contact is considered the scheduler and the only official contact for your organization.

- All field use questions and requests **must** be directed through the main group contact.
- Please include an alternate contact name and phone number for our needs in case the primary contact person cannot be reached.
- Individuals or teams requesting additional times must do so through the group contact only or they will be subject to the individual team practice procedures listed in the Practice Fees and One-time Users section on page 6.
