Cleanup LIFT discount - eligible customers receive \$15 off the cost to dispose of garbage and recyclables, each visit.

King County's Cleanup LIFT program makes it more affordable for low-income customers to dispose of materials at King County's recycling and garbage transfer facilities.

Here's how it works

1. Who can get the discount?

Customers must meet these criteria:

Currently enrolled in ProviderOne, EBT, or ORCA LIFT. To enroll in these programs, call the Community Health Access Program at 1-800-756-5437 (Mon-Fri: 8 a.m. to 5 p.m.) or visit kingcounty.gov/health/access.

Live in King County - outside the City of Seattle and the City of Milton (They are part of different solid waste systems.)

2. How much money can you save?

You can save \$15 off the cost of garbage, yard waste, clean wood, mattress, box spring, and refrigerant-type appliance disposal. The discount is good for each type of material, every visit.

Garbage

Refrigerant-type appliances

Yard waste

Clean wood (untreated)

Restrictions: Not offered at the City of Seattle's North and South transfer stations. Does not apply to the charitable organizations fee, special waste fees, or the unsecured load fee. Not available to businesses.

3. How do you get the discount?

Just show your ProviderOne, EBT, or ORCA LIFT card when you enter a King County recycling and garbage transfer facility.
