Overview

Built in 1990, the facility occupies seven acres and is adjacent to the closed Cedar Falls Landfill. The facility includes a no-fee recycling area, a scalehouse, and top-loading drop boxes for recycling, yard waste, and garbage. The station serves residents and businesses from the North Bend and Snoqualmie areas.

Vehicle Restrictions

Max Load Size: Not greater than three cubic yards (about the size of a pickup truck load)

Max Vehicle Length: 30 feet, combined length limit for vehicles plus trailers (bumper-to-bumper). No hydraulic lift trailers or lift vehicles allowed.

What happens to the waste?

The waste is transported in covered trailers by county employees from Algona to the Cedar Hills Regional Landfill, 20 miles away.

What happens to recyclable materials?

Recyclable materials are separated by type and distributed to local, national or international markets for processing into recycled content products. Only materials that are empty, clean and dry when collected are acceptable for recycling. Reusable materials (textiles) are donated to local non-profits.
