

King County

Department of
Natural Resources and Parks
Solid Waste Division

NOTICE OF SECOND EXTENSION OF SCOPING COMMENT PERIOD AND PUBLIC SCOPING MEETING

Proponent/Lead Agency: King County Department of Natural Resources and Parks, Solid Waste Division (the Division).

Description of Proposal: The Algona Transfer Station was built in the mid-1960s. It is over-capacity, has no space for recycling, and uses outdated technology. The *Solid Waste Transfer and Waste Management Plan* (the Plan), which was the result of a regional, multi-year planning effort, recommended replacing the Algona Transfer Station. The King County Council approved the Plan and the Division is now implementing it. The Division is looking at properties on which to build a new recycling and transfer station that will serve the communities of and areas surrounding Algona, Auburn, Federal Way and Pacific for the next 50 years.

Determination of Significance/Scoping Notice: On October 30, 2012, the Division issued a State Environmental Policy Act (SEPA) *Determination of Significance and Request for Comments on Scope of Environmental Impact Statement* (DS/Scoping Notice). A copy of that document may be obtained at <http://your.kingcounty.gov/solidwaste/facilities/algona/index.asp>. The DS/Scoping Notice identified two potential sites as "Action Alternatives" for the location of a new transfer station that would be evaluated in an Environmental Impact Statement (EIS). Those sites are located at: 901 C Street SW, Auburn, WA 98001, and 35101 West Valley Highway S., Algona, WA 98001. The DS/Scoping Notice also identified a "No Action Alternative", which would retain the current Algona Transfer Station, located at 35315 West Valley Highway S., Algona, WA 98001. Agencies, Tribes, and members of the public were given until November 30, 2012 to provide comments on the scope of the EIS. The Division also held a public scoping meeting on November 15, 2012.

Revised Scope of EIS and Extension of Scoping Comment Period: On February 7, 2013, the Division issued a *Notice of Revised Scope of Environmental Impact Statement and Extension of Scoping Comment Period*. A copy of that document may be obtained at <http://your.kingcounty.gov/solidwaste/facilities/algona/index.asp>. That document identified a third potential site to be evaluated in the EIS. The third site is located at: 28721 West Valley Highway S., Auburn, WA 98001 and includes the two parcels immediately adjacent to the west. This third site was identified as the preferred alternative based on information available at the time. This site is located in the northern portion of the City of Auburn's Innovative Partnership Zone, which was established to bring economic development to the area. It is the Division's understanding in working with the City of Auburn that this third site has more opportunity than the other two alternatives to attract "green" economic development and that a recycling/transfer facility could be a key component of that development. In addition, it is the Division's understanding that the property owner is open to selling the property to the County. Agencies, Tribes, and members of the public were given until February 28, 2013 to provide comments on the revised scope of the EIS.

Second Extension of Scoping Comment Period and Public Scoping Meeting: In response to community interest about the project, the Division is extending the scoping comment period a second time until April 5, 2013 and is holding a public scoping meeting.

**The public scoping meeting will be held on Wednesday, March 27, 2013, 4:30 – 6:45 p.m.
at the Meredith Hill Elementary School, 5830 South 300th Street Auburn 98001.**

The meeting will be an open house format with a video presentation scheduled for 5 p.m. and repeated at 6 p.m. Both oral and written comments can be submitted at the meeting. Reasonable accommodations for people with disabilities are available upon request by calling 206-296-4466, TTY Relay: 711.

Agencies, affected Tribes, and members of the public are invited to comment on the scope of the EIS for each of the three Action Alternatives and the No Action Alternative.

The evaluation of each alternative in the EIS will cover aspects of the built and natural environment including but not limited to the following areas: earth, air, water, plants, animals, energy, natural resources, environmental health, land use, transportation, public services, and utilities.

Comments will be accepted on mitigation measures, probable significant adverse impacts to the environment, and licenses, permits or other approvals that may be required. Comments may be submitted via the internet at <http://your.kingcounty.gov/solidwaste/facilities/algona/index.asp> or by mail. Written comments should be addressed to King County Solid Waste Division, 201 S. Jackson Street, Suite 701, Seattle, WA 98104-3855, Attn: Eric Richardt, Project Manager.

Comment Deadline: The new deadline for submittal of scoping comments is April 5, 2013.

SEPA Responsible Official: Pat D. McLaughlin

Position/Title: Director, King County Solid Waste Division

Phone: 206-296-4466; TTY Relay: 711

Address: King County Solid Waste Division, 201 S. Jackson Street, Suite 701, Seattle, WA 98104-3855

El condado de King está buscando propiedades para construir una nueva instalación de reciclaje y transferencia de basura en el sur del condado.

Se realizará una reunión pública el miércoles, 27 de marzo de 2013, de 4:30 a 6:45 p.m. en Meredith Hill Elementary School, 5830 South 300th Street Auburn 98001.

En la reunión, los asistentes pueden aprender sobre el proyecto y decirle a King County qué temas ambientales quieren que el condado estudie en la Declaración de Impacto Ambiental. Se proporcionarán intérpretes. Para proporcionar comentarios o para obtener más información, llame al 206-296-9755.

Visite y haga un recorrido a nuestra Estación de Transferencia y Reciclaje "Bow Lake" en Tukwila el sábado, marzo 23 de las 10:30 a las 12 de la mañana. Llame al teléfono arriba mencionado para reservar su lugar. Reservación es necesaria.

킹 카운티는 신규 재활용 및 쓰레기 이송 설비 건축을 위한 부지를 남부 카운티에서 선정하였습니다.

동 건의 논의를 위해 2013년 3월 27일 수요일 오후 4시 30 분부터 6시 45분까지 메리디스 힐 초등학교(Meredith Hill Elementary School, 주소 5830 South 300th Street Auburn 98001)에서 공개 회의가 개최될 예정입니다.

이 회의에서 프로젝트의 자세한 내용이 소개되며, 환경 영향 평가보고서의 어느 특정 환경분야에 대해 킹 카운티가 연구를 해야하는지에 대한 귀하의 의견을 제시하실 수 있습니다. 통역 서비스가 제공될 것입니다. 귀하의 의견을 제시하시거나 추가 정보를 입수하시려면 206-296-9747로 전화 주시기 바랍니다.

3월 23일 토요일 오전 10시 30분부터 정오까지 투크윌라(Tukwila)의 보우 호수 (Bow Lake) 역에서 투어를 즐기십시오.

위에 기재된 번호로 전화하셔서 자리를 예약하십시오. 예약이 필요합니다.

Округ Кинг ищет территории для строительства нового объекта по утилизации и вывозу мусора на юге округа.

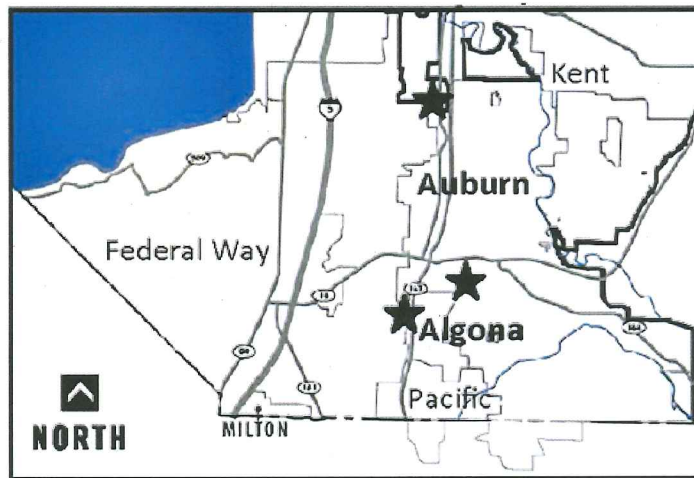

Общественное собрание будет проведено в среду, 27 марта 2013 года с 16.30 до 18.45 часов вечера в начальной школе «Меридит Хилл» по адресу: 5830 South 300th Street Auburn 98001 (5830 Саут, улица 300, Аубурн 98001).

На собрании люди смогут узнать о проекте и рассказать округу Кинг, какие темы об окружающей среде им хотелось бы, чтобы округ изучил в Заключении о воздействии на окружающую среду. Переводчики будут предоставлены. Для предоставления комментариев или получения дополнительной информации, просьба звонить по телефону 206-296-9745.

Примите участие в ознакомительном туре по станции в городе Bow Lake который состоится 23 Марта в воскресенье с 10:30 утра до 12:00 часов дня.

Позвоните по вышеуказанному телефону чтобы зарезервировать места. Резервация обязательна.

Take a tour of the Bow Lake station in Tukwila on Sat., March 23, 10:30 a.m. - 12 p.m. Reservations are required. Visit <http://your.kingcounty.gov/solidwaste/facilities/algona/index.asp> or call 206-296-4466, TTY Relay: 711 for more information and to reserve a spot on the tour.

★ Proposed Locations

Siting of a New Recycling and Transfer Station in South King County

King County is looking at properties on which to build a new recycling and garbage transfer station in south King County. We encourage you to attend the meeting to learn about the project and tell King County what environmental topics you want the County to examine in an Environmental Impact Statement.
