SAFE HAZ WASTE MANAGEMENT IS GOOD BUSINESS.

We can help. Here's how.

No-Cost, On-Site Consultations

Schedule a no-cost consultation with our technical staff for custom recommendations for your business. Call us at 206-296-4692 or email haz.waste@kingcounty.gov.

We'll help you:

- Manage chemicals and hazardous wastes effectively.
- Get cash back for improvements recommended during your consultation.
- Receive a free spill kit and trial products.
- Create a spill plan and learn how to clean up a spill.
- Find safer products.
- Understand hazardous waste regulations in a no-pressure, educational setting.
- Gain recognition for environmentally friendly practices.

Receive Cash Back for Improvements and Pollution Prevention

Your eligible business can receive up to \$1,000 cash back for hazardous waste improvements recommended during an on-site consultation visit.

After implementing recommended improvements, you can receive reimbursement for those costs. Some examples include pollution prevention, upgrades to protect worker health, and improving hazardous waste storage and disposal.
