

Project Update

August 2022

Weekday lane restrictions starting 10 pm Thursday, August 25

Expect temporary lane restrictions while crews work on S Michigan St near E Marginal Way S.

King County crews will reduce traffic lanes on S Michigan St starting at 10 pm Thursday, August 25 through 5 a.m. Friday, August 26. Crews will be working on an underground vault on S Michigan St that will be used to make connections to the new treatment station site.

What to expect:

- Lane and intersection closures from 10 p.m. Thursday, August 25 through 5 am Friday, August 26
- Work will last approximately up to seven hours
- Flaggers and traffic control to direct people around the work area
- Bus stop location will not be affected
- Noise and vibrations typical of construction work
- Please pay attention to signage and flaggers for your safety and the safety of our crews
