

Project Update

November 2022

Daytime lane restrictions starting 9 a.m. Nov. 16

Expect temporary lane restrictions while crews work on S. Michigan St. near 4th Ave S.

King County crews will reduce traffic lanes on S. Michigan St. starting at 9 a.m. on Wednesday, November 16. Crews will be finishing roadway work related to the treatment station. Work is planned to take place between 9 a.m. and 3 p.m. and it's expected to last one to two days.

What to expect:

- Turn lane restrictions from S. Michigan St. onto 4th Ave S.
- Work hours between 9 a.m. and 3 p.m.
- Flaggers and traffic control to direct people around the work area.
- Bus stops will not be affected.
- Noise and vibrations typical of construction work.
- Work to take one to two days.
- Please pay attention to signage and flaggers for your safety and the safety of our crews.
