

## Notice 1: Sewer Construction to Start the Week of April 24

King County contractors will begin construction activities to reline a sewer pipe in the Bel Red neighborhood of Bellevue starting the week of April 24. Work will take place in this area of the project through June 2023.

### Here's what you'll notice:

- Traffic control set up on 120<sup>th</sup> Avenue Northeast the week of April 24. Cutting and digging of the roadway to bury the temporary pipe underneath.
- Traffic control set up on 124<sup>th</sup> Avenue Northeast the week of May 1. Cutting and digging at the King County Metro East Base driveway off 124<sup>th</sup>.
- As part of [King County's Lake Hills sewer relining project](#), the City of Bellevue will conduct nightly work activities to install casings along 124th Avenue Northeast on May 1-5, from 8 p.m. to 4 a.m. During work hours, you can expect the following:
  - 124th Avenue NE near East Bellevue Metro Base will be closed nightly to through traffic. Electronic message signs near the work zone will inform motorists of closure dates and hours.
  - The city will maintain access to select businesses on 124th Avenue NE.
- Mobilizing equipment for a system of temporary pumps, pipes, and odor control that will maintain sewer service during construction.
- Closure of a section of the multi-use trail near Sound Transit. Pedestrians will be detoured to a temporary path and bicycles will be detoured to share 120<sup>th</sup> Avenue Northeast for approximately three months.
