Notice 2: Construction Updates on Northeast Spring Boulevard Starting June 5

King County contractors will be working in the following areas in the Bel Red neighborhood of Bellevue starting the week of June 5.

Here's what you'll notice along Northeast Spring Boulevard:

- **At 130th Avenue Northeast, from June 5 to October 1, unless otherwise noted:**
 - Cutting and digging of the roadway to bury the temporary pipe underneath 130th Avenue Northeast, from June 5-15.
 - Eastbound lanes on Spring will be closed intermittently for approximately three months. Vehicles will be detoured to Northeast 20th Street. Additionally, traffic will be reduced to a single lane on Spring in both directions from 130th Avenue Northeast to 136th Place Northeast.
 - Bike lane on Spring closed, bicyclists detoured to share the road from 130th Avenue Northeast to 136th Place Northeast.
 - Pedestrians will be detoured with construction signs at the light rail station sidewalk.
- **At 132nd Avenue Northeast:**
 - Cutting and digging of the roadway to bury the temporary pipe underneath 132nd from June 5-15. Traffic reduced to single lane in both directions intermittently throughout project duration.
- **At 134th Avenue Northeast:**
 - Temporary pipe installed above ground across 134th from June 6-7.
 - Intersection of 134th and Spring closed, local access only with construction flaggers for approximately three months.
- **Between 136th Place Northeast and Bel-Red Road:**
 - Driveway access to Spring will be temporarily blocked for some properties during the cutting and digging of the roadway to bury the temporary pipe underneath sections of Spring on June 8. Impacted properties have previously been contacted by King County.
 - Driveway access to Spring will be blocked for some properties where the temporary pipe will be installed above ground on Spring from June 8 to October 1. Impacted properties have been previously contacted by King County.

Continued work:

- **120th Avenue Northeast:**
 - Closure of a section of the multi-use trail near Sound Transit. Pedestrians will be detoured to a temporary path and bicycles will be detoured to share 120th for approximately three months. Temporary pipe installed May 24-26.
 - Mobilizing equipment for a system of temporary pumps, pipes, and odor control that will maintain sewer service during construction.
- **124th Avenue Northeast:**
 - Traffic control continues on 124th Avenue Northeast.

What to expect:

- Typical work hours are 7 a.m. to 7 p.m. weekdays with occasional night and weekend work, however after June 8, contractors will be present onsite 24-hours a day for monitoring and refueling activities.
- There will be noise and odor from the temporary pumping system and other construction activities.
- Sewer service will be maintained.

We want to be a good neighbor during construction

King County's goal is to complete construction efficiently to minimize disruptions to the community.
