Construction starts in 2020. Work will be noticeable to those who live, work and play near the project. Please review the latest design information on our online open house and let us know how we can be a good neighbor during construction.

The online open house will be live until Jan. 31.

You can send us your feedback using the comment form on our online open house or contact Kelly Foley at kelly.foley@kingcounty.gov or 206-477-8621.
