

NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

March 2023

Update: 24-hour closure at 78th Ave SE and SE 24th St intersection extended

Crews will reopen the road to alternating traffic when we can restore safe access.

Due to material delays, the 24-hour closure has been extended through Friday, March 17. To ensure safety as work continues, the work area will close during permitted daytime hours starting Saturday, March 18. Permitted work hours are 7 a.m. to 7 p.m. Monday to Friday and 9 a.m. to 6 p.m. on Saturday. Flaggers will maintain residential access on 78th Ave SE and SE 24th St.

Crews will reopen the road to alternating traffic when we can restore safe access. A signed detour is in place. Traffic signals and flaggers will direct vehicles, bicycles, and pedestrians through the work area when it is safe to do so.

For more details on this work, [please review our previous notification.](#)
