Construction equipment and material storage coming to South Parking Lot in Luther Burbank Park

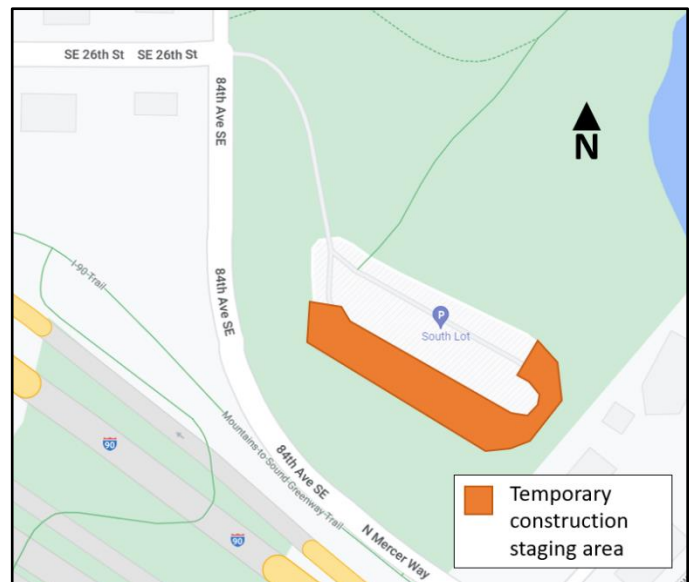

Back half of the South Parking Lot will be closed for parking starting as early as October 2

To support ongoing construction activities related to the North Mercer Enatai Sewer Upgrade project, crews will close the back half of the South Parking Lot at Luther Burbank Park for equipment and material storage starting Monday, October 2.

King County's contractor, Walsh Construction, is approved to use the lot through mid-May 2024. The lot will be restored and fully reopened to parking for summer activities. Learn more about the sewer upgrade project on our website: kingcounty.gov/mercerenataisewer.

What to expect this winter:

- Less parking available for Luther Burbank Park users
- Increased truck traffic

Materials will be stored in the back half of the South Parking Lot
