

# NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

August 2023

## Tree removal beginning along North Mercer Way and I-90 trail Tree removal between 84th Avenue Southeast and Shorewood Drive will begin as early as August 14.

Crews will begin removing trees along the I-90 trail work areas to make space for construction. We are coordinating directly with the City of Mercer Island about tree protection, removal, and restoration. As a part of this project, we will plant 600 new trees across Mercer Island to replace the nearly 400 trees we removed. Read our [Plan for Trees factsheet](#) to learn more.

A map showing the approximate tree removal area.

### What to expect:

- Crews will first mark trees for removal.
- Crews will then cut the trees into pieces and load them into a truck.
- The area surrounding trees will be restored after removal.
- Typical work hours are 7 a.m. to 7 p.m. Monday to Friday and 9 a.m. to 6 p.m. on Saturday for the duration of this work.\*
- Noise, dust, and vibrations typical of an active construction project.
- Intermittent/continuous noise and vibration during tree removal and stump grinding.
- We will detour people walking and biking on the I-90 trail around active work areas.

\*Construction schedules can change based on factors such as site conditions, weather, and crew/material availability. We will notify you in advance of any major changes to the planned schedule.
