## NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

August 2023

### **Schedule update: I-90 Trail closing between 84th Avenue Southeast and Shorewood Drive as early as Aug 14 Pedestrian detours will route around work area.**

Crews are working on the I-90 trail in Mercer Island in sections. Within each section, crews use a construction technique called “open-cut” trenching to bury the pipe where it needs to go. To maintain safety, the trail will remain closed around the clock until the trail has been repaved.

As early as August 14\*, the trail will close between 84th Ave S.E. and Shorewood Dr. We are coordinating planned pedestrian detour routes, which may include crosswalks across North Mercer Way. Please follow marked detours, signs, and flaggers. Drivers should use extreme caution while moving through this area.

#### **What to expect:**

- Speed limits on North Mercer Way will reduce to 20 MPH near the work area.
- Typical work hours are 7 a.m. to 7 p.m. Monday to Friday and 9 a.m. to 6 p.m. on Saturday for the duration of this work.\*
- Noise, dust, and vibrations typical of an active construction project.
- We will detour people walking and biking on the I-90 trail around active work areas.

\*Construction schedules can change based on factors such as site conditions, weather, and crew/material availability. We will notify you in advance of any major changes to the planned schedule.
