## Crews begin installing pipe on Shorewood Drive as early as May 19 Expect flaggers and minor delays

### Construction activities will close one lane of traffic:

Construction on 90th Place Southeast began at Shorewood Drive and has been progressing for almost a year. Starting as early as tomorrow, crews will begin installing pipes on Shorewood Drive. Two flaggers on Shorewood Drive and one flagger on 90th Pl S.E. will direct traffic.

We expect construction on Shorewood Drive to take approximately a week to complete\*. We anticipate some traffic delays while flaggers move one lane of alternating traffic around the work.
