## NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

December 2022

### Extended work hours in Bellevue in preparation for Enatai siphon pipe installation.

**King County has received approval from the City of Bellevue for this work.**

Starting as early as December 5, we will begin working extended hours at Enatai Beach Park and the Swayolocken Pump Station. Extending our work hours will help complete this critical step of the sewer line construction as efficiently as we are able.

Our approved work hours in Bellevue are from 7 a.m. to 10 p.m. Monday through Saturday and from 7 a.m. to 6 p.m. on Sundays.
