# Join us for an upcoming community meeting!

King County has finalized the route for an upgraded sewer pipeline in North Mercer Island and Southwest Bellevue. We hope you'll join us at an upcoming community meeting to discuss:

- The pipeline route and how your feedback informed it
- Potential construction methods
- Pump station upgrades
- Upcoming design milestones and environmental review
- Opportunities for input into the project's design

Watch your mailbox for a newsletter in the coming weeks with additional information about the pipeline route and upcoming meetings.
