

NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

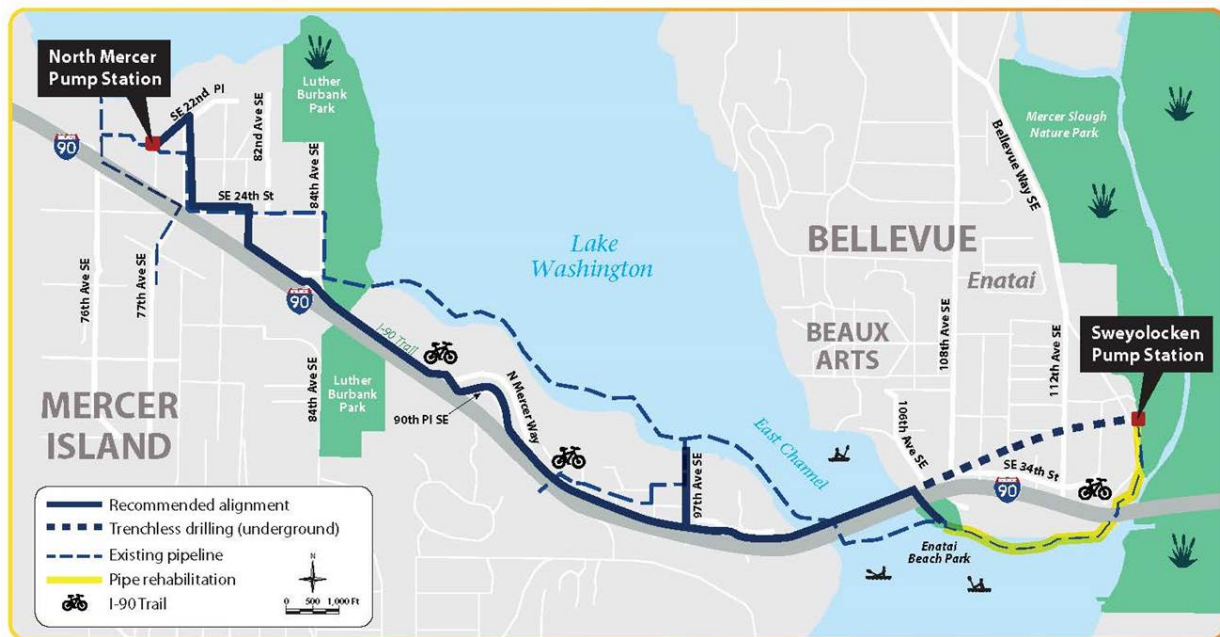

Technical Informational Meeting Monday April 24, 6-8 p.m.

Please join King County Wastewater Treatment Division on Monday, April 24, for a discussion on the technical elements of the North Mercer Island and Enatai Sewer Upgrade Project. The meeting is intended to provide details on the Bellevue portion of the alignment. This includes horizontal directional drilling (HDD) under the Enatai hillside and pipe rehabilitation along the water from Enatai Beach Park to the Sweyolocken Pump Station.

Monday, April 24

Bellevue High School Library
10416 SE Wolverine Way, Bellevue, 98004
Time: 6 to 8 p.m. (presentation at 6:30 p.m.)

You can learn more about the final alignment at www.kingcounty.gov/mercerenataisewer

Project team members will be on hand to answer questions about property easement needs and how King County will work with property owners and tenants before and during construction. If you have any questions or concerns about the project, please contact King County's Community Relations Lead **Kristine Cramer** at **206-477-5415** or kristine.cramer@kingcounty.gov.
