Please join us on Saturday, March 3 for a “walk and talk” on S.E. 24th Street, 81st Avenue SE, and N. Mercer Way

Please join King County Wastewater Treatment Division on Saturday, March 3 at 12:30 p.m. for a ‘walk and talk’ on S.E. 24th Street, 81st Avenue SE and N. Mercer Way. Project staff will walk the route for the North Mercer Island/Enatai Sewer Upgrade Project with neighbors.

During the walk, the team will share the detailed route for the sewer upgrade and answer questions.

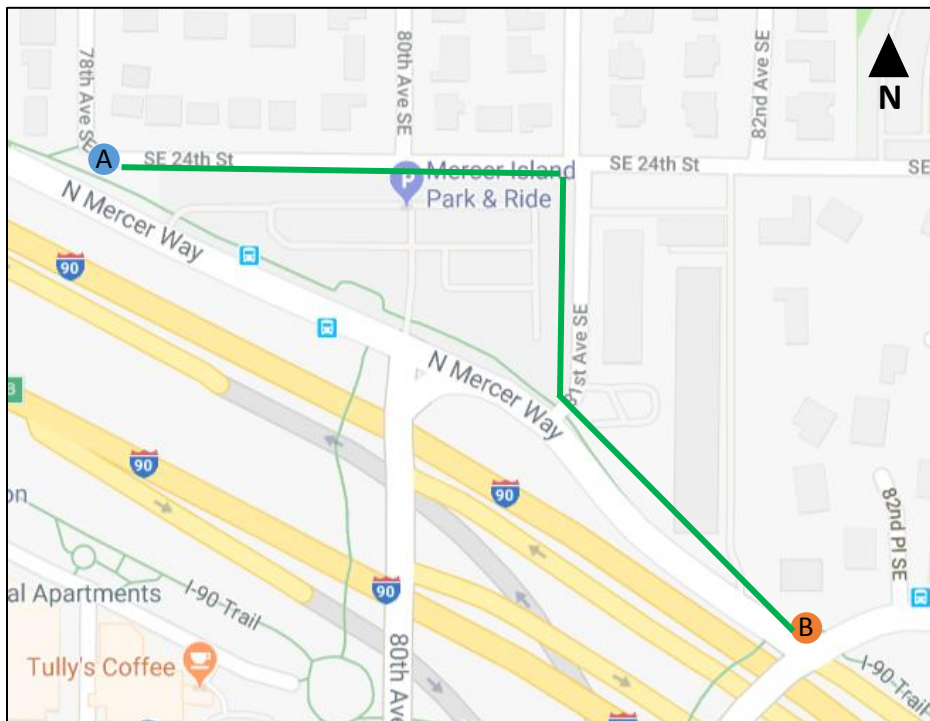

We’ll walk rain or shine, so please dress for the weather and wear sturdy shoes for walking.

To request special accommodations, please contact Kristine Cramer, kristine.cramer@kingcounty.gov or 206-477-5415.

King County staff hold neighborhood “walk and talks” to help residents understand how projects will affect their street.
