May 29, 2018

Please join us on Tuesday, June 12 for a neighborhood walk on S.E. 35th Place

Please join King County Wastewater Treatment Division on Tuesday, June 12, at 6:30 p.m. for a “walk and talk” on S.E. 35th Place. Project staff will walk the route for the North Mercer Island/Enatai Sewer Upgrade Project with neighbors. *See map on the back side of this page.*

During the walk, the team will share the detailed route for the sewer upgrade and answer questions.

You are welcome to attend one or multiple walk and talk sessions. Visit www.kingcounty.gov/MercerEnataiSewer for more detail on the other locations.

King County staff hold neighborhood “walk and talks” to help residents understand how projects will affect their street.
