### **The construction hotline is back in service; meet us at the Mercer Island Farmers Market this weekend!**

Last week, we shared that our 24-hour construction hotline service was down. It is now back in service.

**If you have any questions or concerns about the project, please call: 206-263-1915**

Thanks for your patience and understanding while we worked with our telecom provider to restore service.

### **Join us at the Mercer Island Farmers Market this Sunday!**

The project's community relations team will set up a booth at the Mercer Island Farmers Market this upcoming Sunday, June 19. Staff will share project updates, have informational materials, and answer questions. We hope to see you there!
