Testimonials

“This internship has drastically influenced what career I want to pursue in the future by exposing me to dozens of completely different jobs and fields - all of which contribute to improving the environment in their own ways”

– Hana Amos, Clean Water Ambassadors, High School Intern

“Interning for King County’s WTD has shown me that I can find a great career that also helps better the world around me.”

– Jesus Lopez, WTD College Intern

“The Operator In Training (OIT) program provided me with practical experience in operating and maintaining various treatment systems... If you are passionate about environmental sustainability and public health, the OIT program is an excellent choice to start your career.”

–Kylie Turner, OIT Program Alumni

Work with King County Waste Water Treatment Division: Help keep our water clean and earn as you learn!

I am planning to go to college, but I'm not sure what I want to do.

Yeah! Same here, but I'm still in high school.

I hear you both. King County has both high school and college options that may interest you.

HIGH SCHOOL STUDENTS CAN LEARN ABOUT CAREERS WITH WASTEWATER TREATMENT DIVISION THROUGH THE CLEAN WATER AMBASSADOR PROGRAM. EARN \$20.23/HOUR AND GET AN ORCA CARD.

But I'm already in college.

Not a problem! There are summer and school-year internships where you can explore many different clean water career paths!

APPLY TO KING COUNTY'S COLLEGE INTERNSHIP PROGRAM AND EARN \$21-\$30/HOUR. SCAN BELOW FOR DETAILS.

Clean Water careers' pay range is between \$5,000 to \$12,000 per month. There are also comprehensive benefits, training, and growth opportunities.
